## Secure Lock for Smartphones and Tablets

We can now turn any Android smartphone or tablet into a customized, “safe” device. When we install Secure Lock on your device, it gives us the ability to lock nearly any app that you request.

One Time Set-up Fee—**\$48\*** Annual Fee—**\$22**

We can change your lockdown remotely if you need it anytime for a **\$22** fee, or we can unlock it if you need to get additional apps. The set-up fee includes remote changes for the first 14 days free of charge.

We can add additional apps to your phone before locking it down. Maps, weather, and email\*\* are included. Other apps cost **\$10** each.

Updating apps requires temporarily unlocking your phone (\$22 fee applies).

\*for devices purchased from us. See page 36 for details on getting this lockdown on a device you already own.

\*\*An email app does not provide you an email account. See page 36 for the email service we offer. We can only guarantee our own email service to work with our lockdowns.
